Join US to Discuss US-Africa Trade, Supply Chain Development and Competitiveness Under AGOA
AfrICANDO 2017 Trade and Investment Conference & Trade Show is scheduled to take place September 20 -23, 2017 in Miami, Florida, USA. This year's event will focus on supply chain development and competitiveness under AGOA and will feature a trade show for SMEs in the Handi - Crafts, and Ethnic Foods and Spices industries. A second track that is designed for Transportation Executives will center on supply chain development in the transportation field.

- Registration for **AfrICANDO 2017** includes participation in all events from 20-23 September 2017, including Workshops, Trade Show, Marketplace, and Reception

- The Africa Trade Development Center will offer customized workshops; organize one-on-one meetings with buyers from across the Americas for select exhibitors; and provide follow-up consultations and facilitations beyond the event.

Don't miss this outstanding line-up of exhibitors and speakers addressing supply chain and SME development, advancements in Handi-Crafts Beverages, Ethnic Foods, and Spices, port security* and competitiveness under AGOA

20 – 23 September 2017
